

Survey of students of the medical educational organization

Dear students, you are participants in a survey that is conducted by the accreditation agency in the framework of institutional and/or specialized accreditation. You need to take 5-7 minutes to answer the questionnaire. The results of the survey will be useful in preparing the final report of the External Evaluation Commission and in developing recommendations for improving the main areas of work of the educational organization.

Thank you for your cooperation.

Completion guidelines: check the appropriate boxes with “V” or “+”
